

The Family Della Scala/ Pinot Grigio, Montepulciano and Merlot

The Della Scala Winery was started by the Scala family at the turn of the century. Now regionalized in both Friuli and Montepulciano regions, it is headquartered in the picturesque Town of Fossalta, just north of Venice. The winery is now a partnership between HB Wine Merchants and its' winemaking partners who are able to choose the best IGT grapes available from the region.

IGT means that the grapes do not all come from one DOC area...but from different areas between Verona and Venice, or literally Indicazione Geografica Tipica....Grapes typical of the Region. This affords us the ability to find the best grapes from a larger area to provide better value.

The label was crafted with the image of the famous Piazza delle Erbe in Verona, a place where Della Scala Pinot Grigio is present in many of the cafes and "Italian tapas" bars...or Chicetta's as they are called.

PINOT GRIGIO: The wine is light straw in color, with a citrus nose, and crisp finish... many leagues above those flabby jug wines out there.

MONTEPULCIANO: This region is approx. 300KM south of our winery, and is Rated DOC. The wine is Purple Red in color, with a peppery nose, finishing with good tannins and liveliness.
