

## **LA Bastarda Bianco di Toscana IGT**

This white wine is a line extension from the famous IL Bastardo Winery from Tuscany. You will notice that on this bottle, IL Bastard is now dressed “in drag.” The IL Bastardo winery is owned by an American company, but the bottling of the wine is done under the auspices of Paolo Masi, a young up and coming winemaker whose family owns an important Estate in Tuscany.

This wine is meant to be fun, flavorful and memorable. You will be surprised just how many people buy this wine for the quirky label yet continue to purchase it due the high quality and value for money. It is available in both the 750ml and the 1.5L sizes. We call the magnum the *Big Bastarda*.

Region: Bianco di Toscana IGT

Varietal Blend: 70% Trebbiano, 30% Chardonnay

Tasting notes: Light straw yellow in color with a greenish tinge. The wine has a rich nose, with apple, pear and tropical fruit notes. On the palate it is fresh with lively acidity and a crisp finish. Many of our customers consider this their “go to” wine for everyday foods. As one of our customers once said, “it’s in the bottle!”

***If you like Pinot Grigio, you’ll love La Bastarda, and you can buy twice as much for the same price.***
