

CEDERBERG  
FIVE GENERATIONS  
CHENIN BLANC 2022

 **93**  
Points

“This wine is a delightful expression of sweet tars, underripe peach, melon and waxy lemons, along with underripe pineapples. Showcasing an expressive nose, floral and citrus notes overflow from the glass. It has a medium body with succulent acidity that sashays down the palate, revealing subtle spiciness and making me salivate. Freshness and brisk acidity lead to a long, lingering finish. Super good!”
