The Estate

Since the establishment of this family business in 1928 the winery Peter Zemmer has been producing top-quality wines on the finest vineyards in and around Cortina s.s.d.v. in Alto Adige - South Tyrol. Peter Zemmer's extensive experience, detailed and innovative knowledge together with the perfect natural environment guarantees top quality and character of the wines. The expressive character of the wines is formed in the vineyard. Intensive nurturing of the grapevines as well as careful selection are the essential prerequisites for the authentic wines. Peter Zemmer believes the production of natural wines that accurately reflect their terroir are of utmost importance. Grafted to slow-growing rootstock and trained on traditional wire trellises (Guyot), this Chardonnay grows in the best vineyard zones in the valley floor around the center of Cortina s.s.d.v.

Wine Making

Before being passed through the press, the grapes are allowed a few hours of maceration with the skins in order to accentuate the fruitiness of the wine. They are then gently pressed and clarified through the natural settling of sediments. The alcoholic fermentation is carried out with pure strains of yeast at a controlled temperature of 18° C (64° F) in stainless-steel tanks.

Tasting Notes

This wine has a broad and colorful palette of fruit aromas; juicy, flavorful and long-lasting. Greenish-yellow in color, the bouquet is delicate with notes of banana and melon. The palate is dry, fresh and lively with a pleasing fullness that will complement seafood pasta or simple tasty chicken dishes.
