ITALY

Barolo 'Meriame'

DOCG

Brand Highlights

- 100% Nebbiolo from the Serralunga region first produced in 1999
- Estate bottled by Paolo Manzone from the best district from low yields for true varietal character
- The estate Cru Meriame vineyards are used to make this wine from older choice parcels

The Estate

Paolo Manzone and his wife Luisella own and operate the estate located in Serralunga d'Alba and they own and farm 14 hectares of vineyards. The land and vineyards have been handed down from father to son for generations and the production ranges from Dolcetto d'Alba, to Barbera d'Alba, to Nebbiolo d'Alba to Barolo and even Arneis. The estate consists of hand tended vines with full regard to the traditional methods realizing the quality is made by the vines. Manzone is also a member of The Green Experience which is unique to the Piedmont region centered in the Langhe to protect and enhance biodiversity, sustainability, and to be ecologically respectful. No chemicals are used in the agriculture and priorities are given to agronomic solutions, respect for the soil, use of floral and herbal essences along with respect and honesty towards consumers insured by traceability and external certification. The winery and house is located entirely in the Cru Meriame di Serralunga having belonged to Luisella's family for generations. To be more precise it is located on the Western Slopes between Baudana and Lazzarito Crus in a small amphitheater facing South, South West in front of Castiglione Falletto.

Wine Making

Hand harvested grapes are where the first selections are made and are then carried to the winery in 20Kg bins to insure they arrive fully intact. First produced in 1999 from a severe selection of the best fruit from the cru vineyard at an elevation of 350 meters, it is all stainless steel fermented and then aged in 90% Slavonian oak large ovals (15Hl) for 24 months along with 10% French oak Tonneau.

Tasting Notes

This is red-fruited with notes of cedar, walnut and licorice with some crushed stone minerality to it. Medium- to full-bodied, dry and a little chewy with broad tannins and juicy acidity.
