The Estate

The Della Scala Winery was started by the Scala family at the turn of the century. Now regionalized in both Friuli and Montepulciano regions, it is headquartered in the picturesque Town of Fossalta, just north of Venice. The winery is now a partnership between HB Wine Merchants and its winemaking partners who are able to choose the best IGT grapes available from the region.

Wine Making

IGT means that the grapes do not all come from one DOC area—but from different areas between Verona and Venice, or literally Indicazione Geografica Tipica—Grapes typical of the Region. This affords us the ability to find the best grapes from a larger area to provide better value.

Tasting Notes

The wine is light straw in color, with a citrus nose, and crisp finish... Many leagues above those flabby jug wines out there.
