

HB Wine Merchants presents wines from: **Caldera Fabrizia**

ITALY

## Caldera Xenio Ruchè

DOCG

### Brand Highlights

- 100% Ruchè grapes from Castagnole Monferrato
- An affordable, high quality wine from the renowned Piedmont region of Italy
- Owned and operated by fourth-generation wine-making family

### The Estate

Since 1899, the Caldera family has been making wine in Northwest Italy with a focus on historical value of the land and respecting winemaking traditions handed down generation to generation. However, they are open to and embrace new technologies! The production and refinement of the wines are followed by expert Asti winemaker, Mario Redoglia, who also controls the agronomic part of the vineyards. The family owns vineyards containing vines from 30-50 years old with a low production and high-quality grape yield.

### Wine Making

The winery is located in Portacomaro Station. It contains a large room with an elegant exposed brick ceiling where the most important wines are refined and aged in bottighrandi and small oak barriques. The Ruchè is grown on loamy soil with a high concentration of limestone. Traditional vinification with maceration carried out with pumping-over and filling. Maceration six days. Aged in stainless-steel tanks to preserve freshness.

### Tasting Notes

Bright ruby red color. On the nose, intense floral and spicy flavors. On the palate, the wine is dry, harmonious and velvety. Pairs well with cured meats, pork and chocolate.
