FRANCE

Canon la Chapelle

Grand Vin de Bordeaux

Brand Highlights

- 70% Merlot + 30% Cabernet Franc
- Vineyards are located in a place called “La Côte Canon” which is the name of a site of an old stronghold from the time of Charlemagne. The site was a privileged place to defend Aquitaine from foreign invasions. Cannons prevented the passage of enemy boats on the Dorgogne.
- Great value in a wine from the Canon-Fronsac region of Bordeaux

The Estate

The vineyards are located on a small family estate in the commune of Fronsac. The estate covers 10 hectares of high plateau and clay-limestone slopes with excellent southern sun exposure. Winemaker Gonzague Maurice practices viticulture that respects the environment and the people. Focus on traditional soil work and natural grassing on the slopes; manual maintenance to limit yields and encourage the growth of only high quality grapes.

Wine Making

The grapes are harvested manually and vinified in temperature-controlled concrete vats. 30% is aged in barrels for 2-3 years and 70% is aged in concrete vats for 18 months.

Tasting Notes

This wine is a deep garnet color with purple reflections. The nose is filled with blackberry, candied raspberry, sweet spice and a hint of truffle and violet. The palate is round and velvety. The finish has a slight earthiness and a return of raspberry and blackberry with pleasant notes of cocoa, cherry and spices.
