The Estate

This family-owned and operated estate on the “Right Bank” is owned and operated by Vignobles Dulon, a family with 250 years of history in Bordeaux spanning 10 Generations. Located in Solignac near Entre-Deux-Mers, where clay and gravel dominate the soil structure and the oldest property in the family holdings spanning 100 hectares. Here, the vines are carefully tended, debudded to control vigor, with leaf removal and cluster thinning to enhance the flavors. The property holds the HVE3 certification for sustainability.

Wine Making

The Merlot and Cabernet Sauvignon are all vinified in both stainless-steel and concrete vats using temperature control and kept separate by parcel. A cold maceration to extract the fruit aromas is followed with traditional fermentation in thermoregulated vats for 18-25 days. Malolactic fermentation follows and the wine is then aged in stainless steel tanks prior to blending.

Tasting Notes

The dominant Merlot grape gives this wine a brilliant robe with strong red fruits. The stony soil parcels are perfect to allow the Cabernet Sauvignon to harmoniously develop dark cherry, cassis and pepper notes. These two varietals craft classic Bordeaux structure with a smooth and balanced charm that is easy to drink. **A classic at an affordable price!**
