

ST. URBANS-HOF 2023 GOLDTRÖPFCHEN AUSLESE

96 Points

“You might have trouble getting past the nose of mangoes and papayas with a haunting twist of floral honey. But if you don’t, you’ll miss the stunning vibrancy and the way the touch of botrytis bitterness lifts this in a spectacular way. There’s energy and freshness in the very long finish. Technically (but who wants to be technical?) this is medium-bodied and medium-sweet.”
