

ST. URBANS-HOF 2018 BOCKSTEIN KABINETT

Antonio Galloni
vinous
explore all things wine

91
Points

A penetratingly pungent combination of mint, cilantro, cress and orange blossom is accompanied by prickly hints of reduction. There is considerable acidity to balance out its high residual sugar, if with a somewhat sweet-sour upshot. The feel is polished, and a sense of buoyancy and a mouthwatering lick of salinity accompany floral perfume, herbal pungency and bright lime and apple juiciness on the finish. When this settles down in bottle, it may prove yet more impressive.
