

IL BASTARDO SANGIOVESE DI TOSCANA

This delicious Tuscan red is made from 100% Sangiovese. It has a rich, ruby-red color with an aromatic nose and flavors of blackberry and cherry. In your mouth it displays a medium body with good tannins and an overall Chianti-like fruit finish.

Guido says "Try this delizioso vino with pasta or pizza and you'll be reminded of dinner at Mama's house in the old country."
