The Estate

Since the establishment of this family business in 1928 the winery Peter Zemmer has been producing top-quality wines on the finest vineyards in and around Cortina s.s.d.v. in Alto Adige - South Tyrol. Peter Zemmer's extensive experience, detailed and innovative knowledge together with the perfect natural environment guarantees top quality and character of the wines. The expressive character of the wines is formed in the vineyard. Intensive nurturing of the grapevines as well as careful selection are the essential prerequisites for the authentic wines. Peter Zemmer believes the production of natural wines that accurately reflect their terroir are of utmost importance.

Wine Making

The Vigna Kofl vineyard is located at an altitude of 1,030 meters above sea level (3,380 feet). The perfect southern position of the vineyard on porphyry and dolomite limestone + the ideal solar radiation + the daily wind "Ora" from the south guarantee the optimal ripening conditions of the berries. The hand harvested grapes are brought to the winery in small bins where they are destemmed and the grapes are fermented for seven days while the must is kept in contact with the skins. After two gentle rackings, the wine is aged over 12 months in French oak barriques and aged another six months in stainless steel tanks. After bottling, the wine is aged an additional six months in bottle.

Tasting Notes

Intense and brilliant ruby red in color, this wine boasts rich, fine notes of berries and sour cherries on the nose. On the palate, it is harmoniously round and soft, compact and elegant with rich berry fruit flavors.
