The Estate

Since the establishment of this family business in 1928 the winery Peter Zemmer has been producing top-quality wines on the finest vineyards in and around Cortina s.s.d.v. in Alto Adige - South Tyrol. Peter Zemmer's extensive experience, detailed and innovative knowledge together with the perfect natural environment guarantees top quality and character of the wines. The expressive character of the wines is formed in the vineyard. Intensive nurturing of the grapevines as well as careful selection are the essential prerequisites for the authentic wines. Peter Zemmer believes the production of natural wines that accurately reflect their terroir are of utmost importance.

Wine Making

After the grapes arrive, they are gently pressed and clarified through the natural settling of sediments. The alcoholic fermentation is carried out with pure strains of yeast at a controlled temperature of 18° C (64° F) in stainless-steel tanks. After several months of maturing on the lees this elegant wine achieves its perfection.

Tasting Notes

The rich aroma as well as the excellent acidity makes this wine crisp, rich and particularly elegant. On the nose elegant notes of flowers blend with typical tones of green apple and spices. On the palate the wine shows melon and pear driven fruit notes in a full-bodied style while maintaining the fresh acidity so commonly associated with the Alto Adige.
