The Estate

Since the establishment of this family business in 1928 the winery Peter Zemmer has been producing top-quality wines on the finest vineyards in and around Cortina s.s.d.v. in Alto Adige - South Tyrol. Peter Zemmer's extensive experience, detailed and innovative knowledge together with the perfect natural environment guarantees top quality and character of the wines. The expressive character of the wines is formed in the vineyard. Intensive nurturing of the grapevines as well as careful selection are the essential prerequisites for the authentic wines. Peter Zemmer believes the production of natural wines that accurately reflect their terroir are of utmost importance.

Wine Making

The Giatl vineyard is one of the mid-elevation estate vineyard holdings owned and farmed by Peter Zemmer. Here the fruit achieves a perfect level of ripeness and a very low yield due to the old vine plantings. The hand harvested grapes are brought to the winery in small bins where they are destemmed and gently crushed. After a cold soak on the skins, the juice is moved to a stainless temperature controlled vat where it clarifies naturally before being placed in a 1,000 liter Fodor. This large, old wood barrel is the perfect place for the wine to ferment with extended ageing on the fine lees.

Tasting Notes

Fragrant minerality meets rich fruits of acacia, lime blossom and yellow plum with an White Burgundy elegance and structure.
