The Estate

Since the establishment of this family business in 1928 the winery Peter Zemmer has been producing top-quality wines on the finest vineyards in and around Cortina s.s.d.v. in Alto Adige - South Tyrol. Peter Zemmer's extensive experience, detailed and innovative knowledge together with the perfect natural environment guarantees top quality and character of the wines. The expressive character of the wines is formed in the vineyard. Intensive nurturing of the grapevines as well as careful selection are the essential prerequisites for the authentic wines. Peter Zemmer believes the production of natural wines that accurately reflect their terroir are of utmost importance.

Wine Making

The Vigna Crivelli vineyard is located in Pungll—where the vines are grafted to slow-growing rootstock and trained on traditional wire trellis called Guyot. The soil is stony, sandy and extremely chalky. The hand harvested grapes are brought to the winery in small bins where they are destemmed and undergo a short cold maceration to enhance the fruitiness of the wine prior to pressing. Fermentation takes place in small casks of French oak and the wine is aged 12 months before bottling.

Tasting Notes

A gorgeous golden hue silhouettes this wine with a powerful bouquet of ripe apricot, tropical fruits and fine wood flavors. This wine is powerful and savory with balanced acidity—juicy and rich and pleasantly full-bodied.
