Ceralti Vermentino

DOC Bolgheri

Brand Highlights

- Third generation wine-making family in Bolgheri
- 100% Vermentino
- Rich and round with plenty of unique varietal character

The Estate

The Ceralti estate is located in the territory of Castagneto Carducci in the southern part of Bolgheri. Here, the Alfeo family has 13 hectares of vineyards along with a few hectares of olive trees. The Ceraltis have been farmers for several generations in Bolgheri, and after many years of selling grapes to Ornellaia and Sassacaia, 10 years ago, they built their own winery and are now bottling their entire estates' grape production. This is their entry level Bolgheri DOC wine which means the grapes come from the best region of Bolgheri.

Wine Making

The grapes are manually harvested and cold macerated. Fermentation occurs with controlled temperature in steel wine vats for about 15 days. The wine is then left on the lees for 3 months before being bottled where it rests for another 3 months before being released.

Tasting Notes

Fresh, floral and mineral aromas and flavors, with hints of spice, ripe peach, pineapple and lemon peel. Medium- to full-bodied, with a lightly oily texture, clean fruit flavors and a lightly spicy finish.
