Little Mad Bird Sauvignon Blanc

Mendoza—Argentina

Brand Highlights

- 100% Sauvignon Blanc from Mendoza region of Argentina
- Produced & managed by 3rd generation winemaking family: Francisco & Eduardo Rodriguez
- Be free, be fresh, be exceptional. Let the White Raven catch your every sense.

The Estate

The estate totals 874 acres (353 hectares) of working vineyards located east of the Province of Mendoza in altitudes of 2,000+ feet above sea level. The dry, arid lands and desert dunes have been conditioned for creating grapes with a unique character that are nothing less than an homage to the noble traditional viticulture. Established over 80 years ago, the Rodriguez family has overcome challenges and readapted to the new expectations of a changing world market. By 2001, the winery started a full re-conversion of its vineyards including planting higher quality grapes and introducing new, cutting edge production technologies. With vision and experience, the Rodriguez family has realized how to fulfill the expectations of a versatile market and overdeliver on quality & value.

Wine Making

Grapes are manually harvested from vineyards with small parcels of Sauvignon Blanc grapes growing from old vines. Vinification at low temperatures in stainless steel with thermo-maceration. This is a unique method of winemaking in Argentina and ensures maximum quality.

Tasting Notes

Fresh citrus, tropical fruit & floral aromas. On the palate, it is crisp and clean with a hint of spice in the soft finish.
