

**ST. URBANS-HOF 2021
GOLDTRÖPFCHEN AUSLESE**

94 Points

“Closed and demure at first, this opens up to reveal an impressive range of sugared plum, honeyed apple, nectarine and melon flavors that are focused and pure. Offers chalky minerality and razor-sharp acidity, which cuts through to keep this clean. Tightly coiled now, this will benefit from cellaring. Best from 2025 through 2042.”
