

**ST. URBANS-HOF
GOLDTRÖPFCHEN
KABINETT 2021**

92 Points

“A distinctive, off-dry white, with an intriguing mix of persimmon, honey water and perfumed floral notes set against zingy acidity and green tea accents. Shows a smoky, herbal thread that weaves through, while the inner density builds. Reveals hints of marzipan and white pepper on the finessed finish. Searing now, this needs time to fully harmonize.”
