Blanc de Blanc Sekt

Pfalz

Brand Highlights

- Family-owned estate, run by two winemakers (husband and wife) and their children
- Made with 100% Chardonnay grapes; certified organically grown grapes
- All natural fertilizers and no pesticides are used in the farming

The Estate

Owned by Christine Lucas, sister to Nik Weis, this estate produces outstanding Riesling from important vineyard sites in the Pfalz. This estate was established over fifty years ago and has a much warmer climate than the Mosel with different soil. The resultant wines tend to be drier in style with a little bit higher alcohol levels. It is located in the Rhine valley and protected to the North and the West by the Hunsrück Mountains. That's what makes the climate there almost Mediterranean. The soil is heavier and less stony than in the Mosel. They don't have slate like in the Mosel, they have volcanic, glacial and river sediments. That's why the wines are not as mineral but due to the warmer climate more full-bodied than the wines in the Mosel. In general they have less acidity and more of a roundness. The flavors of their Rieslings are more on the peachy side than on the grapefruit side, as they are in Mosel wines.

Wine Making

Their philosophy is to employ environmentally sound viticultural techniques, and in the cellar to use the least amount of intervention possible. Christine has obtained an organic certificate for her wines from the Deutscherprädikat. The Pfalz region is known to make white wines that are a bit drier in style and fuller in body, and this wine is no exception.

Tasting Notes

Aged for 36 months on the lees, this Brut Sekt is sure to please. Embrace the delicate, fine yeasty nose with perfectly balanced minerality. Clear and finely juicy, this Sekt is powerful, dense, racy and invigoratingly fresh. Fine perlage with herbal minerality on the palate with a long and pleasantly satisfying finish.
