

ST. URBANS-HOF 2023 BOCKSTEIN SPÄTLESE

96 Points

“It might sound a bit crazy to say that this has a nettle aroma, but that adds an extra level of tension and excitement to its extremely vibrant, off-dry sweetness. If that’s hard to get, then think mojito. Very focused and precise in the laser-beam, fresh herb finish. From organically grown grapes with a Fair’n Green certification.”
